

mini wreath

materials:

- 3-5 pieces noble fir
- 3-5 pieces juniper
- clippers
- ribbon
- floral wire

1. connect two pieces of noble fir together with floral wire.

2. repeat this step 2-3 times and then connect ends to make a circle.

3. add a few pieces of juniper on top of the fir, securing with floral wire.

4. tie a bow with your ribbon and place floral wire through the back of the ribbon.

5. Tie the bow onto your mini wreath and use the wreath as a decoration in your home or it makes a perfect little gift topper on a wrapped present or bottle of wine!

Enjoy!
